As part of the 59th Annual Meeting of the Japanese Society of Neurology, we will hold the symposium focusing on “Flavivirus infection” as an East Asian Neurology Forum – related program. We hope that you will have the chance to learn and think about global health issues.

**Current Findings on Acute Encephalitis via Flavivirus Infection: A form of Zoonosis**

**Speaker:** Hirofumi Sawa

**Venue:** Royton Sapporo [Empress Hall] 2F

**Date:** Wed. May 23, 2018, 9:50-11:50, 13:20-15:10

**Title:** "Flaviviral infection and the CNS"

**Speaker:** Eng Eong Ooi (Programme in Emerging Infectious Diseases, Duke NUS Medical School, Singapore)

**Title:** "Tick-borne encephalitis as a matter of public health"

**Speaker:** Kentaro Yoshii (Laboratory of Public Health, Faculty of Veterinary Medicine, Hokkaido University, Sapporo)

**Title:** "TBE Clinical Features: clinico-pathological features of a Japanese case from central Hokkaido Island"

**Speaker:** Yasutaka Tajima (Department of Neurology, Sapporo City General Hospital, Sapporo)

**Title:** "Dissecting the neurovirulence and viscerotropism determinants of Japanese Encephalitis virus"

**Title:** "Recent advances in Neurological manifestations of Dengue infection"

**Title:** "New approaches to prevent diseases caused by West Nile virus and other mosquito-borne flaviviruses"

**Speaker:** Roy A. Hall (Virology, Australian Infectious Diseases Research Centre, School of Chemistry and Molecular Biosciences, The University of Queensland, Australia)

**Title:** "Examination of neuronal injury by West Nile virus infection"

**Speaker:** Hirofumi Sawa (Division of Molecular Pathobiology, Research Centre for Zoonosis Control, Hokkaido University, Sapporo, Japan)

**Title:** "Pathological and epidemiological investigation for congenital Zika virus infection"

**Speaker:** Tadaki Suzuki (Department of Pathology, National Institute of Infectious Diseases, Tokyo, Japan)

**Title:** "Emerging infectious diseases (EIDs) preparedness and response; an example of Zika virus"

**Speaker:** Satoko Otsu (Communicable Diseases/Health Emergency Coordinator Office of the WHO Representative in Viet Nam, World Health Organization, Office of the WHO Representative in Viet Nam, Hanoi, Viet Nam)
