

Interpretation of the Stroke Treatment Guidelines 2021 and New Evidence

Chairs : Yasuyuki Iguchi

Department of Neurology, the Jikei University School of Medicine, Japan

Ryo Itabashi

Stroke Center, Division of Neurology and Gerontology, Department of

Internal Medicine, School of Medicine, Iwate Medical University, Japan

G-01-1 Acute Antiplatelet Therapy ~Selection of DAPT~

Shigeru Fujimoto

Division of Neurology, Department of Medicine, Jichi Medical University, Japan

G-01-2 Acute anticoagulant therapy ~What's the best timing of DOAC start after acute ischemic stroke~

Ryota Tanaka

Stroke Center, Jichi Medical University Hospital, Department of Neurology, Jichi Medical

University, Japan

G-01-3 Anticoagulation therapy for patients with high risk of bleeding

Satoshi Suda

Department of Neurology, Nippon Medical School, Japan

G-01-4 Antiplatelet therapy for noncardiogenic stroke for secondary prevention

Yuji Ueno

Department of Neurology, University of Yamanashi, Japan

G-01-5 Understanding Diagnosis and Treatment of Embolic Stroke of Undetermined source

Yasuhiro Nishiyama

Department of neurology, Nippon Medical School, Japan

G-01-6 Emerging Evidences of Reperfusion Therapy in Acute Ischemic Stroke

Hiroshi Yamagami

NHO Osaka National Hospital, Department of Stroke Neurology, Japan

Japanese Best Practice Recommendations for ALS 2022: Report from the Subcommittee of the Japanese Society of Neurology

Chairs : Masashi Aoki

Department of Neurology, Tohoku University School of Medicine, Japan

Makoto Urushitani

Department of Neurology, Shiga University of Medical Science, Japan

G-02-1 Clinical Presentation and Pathophysiology - UPDATE

Naoki Atsuta

Department of Neurology, Aichi Medical University School of Medicine, Japan

G-02-2 Advances in drug therapy for ALS

Yuishin Izumi

Department of Neurology, Tokushima University Graduate School of Biomedical Sciences, Japan

G-02-3 **Diagnosis and clinical tests of ALS: Update**

Hiroyuki Nodera

Department of Neurology, Tenri Hospital, Japan

G-02-4 Nutritional disorder and intervention in amyotrophic lateral sclerosis

Toshio Shimizu

Department of Neurology, Tokyo Metropolitan Neurological Hospital, Japan

G-02-5 Respiratory Management of ALS: UPDATE

Takuji Fujita

takumikai neurology clinic, Japan

G-02-6 Update of living and Care management in Patients with Amyotrophic Lateral Sclerosis

Yuki Nakayama

Tokyo Metropolitan Institute of Medical Science Research Centre for Social Science & Medicine
Unit for Intractable Disease Nursing Care, Japan

Beyond the clinical practice guideline for epilepsy

Chairs : Kiyohito Terada

Yokohama Minoru Epilepsy & Developmental Clinic, Japan

Kazutaka Jin

Department of Epileptology, Tohoku University Graduate School of Medicine,
Japan

3

G-03-1 Long-term Video-EEG Monitoring: Guidelines to Patient Management

William O. Tatum

Department of Neurology, Mayo Clinic, USA

G-03-2 The development of Japanese epilepsy guidelines

Naoki Akamatsu

Department of Neurology, International University of Health and Welfare School of Medicine,
Japan**G-03-3 Beyond the Japanese epilepsy guidelines: medical treatment**

Kazutaka Jin

Department of Epileptology, Tohoku University Graduate School of Medicine, Japan

G-03-4 Beyond the Japanese Epilepsy Guidelines: Surgical Treatment

Masaki Iwasaki

Department of Neurosurgery, National Center Hospital, National Center of Neurology and
Psychiatry, Japan
