

Advances in Dementia Management through Guidelines

Chairs : Kenji Wada

Department of Dementia Medicine, Kawasaki Medical School, Japan

Hisatomo Kowa

Kobe University Graduate School of Health Sciences, Japan

G-01-1 Appropriate Use of Recommendation for Fluid Biomarker in Clinical Practice of Dementia

Takeshi Ikeuchi

Brain Research Institute, Niigata University, Japan

G-01-2 Non-Pharmacological and Pharmacological Interventions for BPSD

Hiroaki Kazui

Department of Neuropsychiatry, Kochi Medical School, Kochi University, Japan

G-01-3 Alzheimer's disease

Akihiko Nunomura

Tokyo Metropolitan Matsuzawa Hospital, Japan

G-01-4 Frontotemporal dementia

Hirohisa Watanabe

Department of Neurology, Fujita Health University, School of Medicine, Japan

G-01-5 Vascular dementia

Akihiro Shindo

Department of Neurology, Graduate School of Medicine, Mie University, Japan

G-01-6 Other Neurological Disorders

Tadashi Adachi

Division of Neuropathology, Tottori University, Japan / Division of Neurology, Tottori University, Japan

Clinical practice guidelines for HTLV-1-associated myelopathy 2025

Chairs : Yoshihisa Yamano

Department of Neurology, St. Marianna University School of Medicine, Japan

Katsuya Satoh

Nagasaki University Graduate School of Biomedical Sciences, Japan

G-02-1 Overview of the HTLV-1-Associated Myelopathy (HAM) Clinical Practice Guidelines 2025

Tomoo Sato

Institute of Medical Science, St. Marianna University School of Medicine, Japan

G-02-2 Frontiers in the Pathogenesis of HTLV-1-Associated Myelopathy

Makoto Nakashima

Department of Rare Diseases Research, Institute of Medical Science, St. Marianna University School of Medicine, Japan

G-02-3 Risk assessment of HTLV-1 infectious diseases using clonality analysis of the infected cells

Masumichi Saito

Japan Institute for Health Security National Institute of Infectious Diseases, Japan

G-02-4 How to Use the HAM Clinical Practice Guideline 2025 in Daily Practice

Satoshi Nozuma

Department of Neurology and Geriatrics, Kagoshima University Graduate School of Medical and Dental Sciences, Japan

G-02-5 Pregnancy and Childbirth in HAM

Mitsuru Watanabe

Department of Neurology, Kyushu University Hospital, Japan

G-03 New Guideline 03

Jp

May 22 (Fri) 8:00 ~ 9:30

Room 14 (PACIFICO Yokohama Conference Center 5F 502)

How to Utilize the Latest “2025 Guidelines for the Diagnosis and Treatment of Polymyositis and Dermatomyositis” for Neurologists

Chairs : Takashi Kanda

Neuromuscular Center Yoshimizu Hospital, Japan

Kazuma Sugie

Department of Neurology, Nara Medical University, Japan

G-03-1 The position of neurologists in the diagnosis and treatment of polymyositis and dermatomyositis

Takashi Kanda

Neuromuscular Center Yoshimizu Hospital, Japan

G-03-2 Polymyositis and Dermatomyositis:
A Clinicopathological Perspective from Muscle Pathology

Kazuma Sugie

department of Neurology, Nara Medical University, Japan

G-03-3 Approaching Polymyositis and Dermatomyositis through Skin Lesions
Ikuko Ueda

Department of Dermatology, The University of Osaka Graduate School of Medicine, Japan

G-03-4 PM/DM stratified by autoantibodies

Shigeaki Suzuki

Tokyo Metropolitan Neurological Hospital, Japan

G-03-5 Diagnosing Polymyositis and Dermatomyositis using Electromyography
Nobuo Kohara

Department of Neurology, Kobe City Medical Center General Hospital, Japan

Japanese Epilepsy Clinical Guideline 2026

Chairs : Naoki Akamatsu

International University of Health and Welfare, Neurology, Japan

Riki Matsumoto

Department of Neurology, Kyoto University Graduate School of Medicine,
Japan**G-04-1 Classification and Diagnosis of Epilepsy**

Hiroshi Shigeto

Department of Neurology, Kyushu University Hospital, Japan / Department of Health Sciences,
Graduate School of Medical Sciences, Kyushu University, Japan**G-04-2 Selection of antiseizure medications for patients with epilepsy**

Kazutaka Jin

Department of Epileptology, Tohoku University Graduate School of Medicine, Japan

G-04-3 New guideline for management of status epilepticus

Masahiro Mizobuchi

Minami-ichijo Neurology Clinic, Japan / Epilepsy Center, Nakamura Memorial Hospital, Japan

G-04-4 Epilepsy and Pregnancy Up to Date

Hideyuki Ohtani

Shizuoka Institute of Epilepsy and Neurological Disorders, Japan

G-04-5 Epilepsy and psychiatric symptoms

Takuji Nishida

NHO Shizuoka Institute of Epilepsy and Neurological Disorders, Japan

G-04-6 Late-onset Epilepsy

Tomotaka Tanaka

Shimane University Faculty of Medicine, Department of Neurology, Japan / National Cerebral
and Cardiovascular Center, Department of Neurology, Japan**G-04-7 Epilepsy and Acute Symptomatic Seizure**

Mitsuhiko Yamano

Department of General Medicine, Tokai University School of Medicine, Japan

G-04-8 How to Develop Up-to-Date Clinical Practice Guidelines

Taira Uehara

Department of Neurology, International University of Health and Welfare, Japan / Department
of Neurology, Fukuoka Sanno Hospital, Japan
